

Company profile – financial year 2015

VP Bank Group introduction

Good reasons for VP Bank

An especially compelling investment

We are VP Bank Group: anchored in Liechtenstein, present across the globe.

In the German-speaking region of Europe, VP Bank stands out for its clearly defined two-pillar business strategy (private banking and intermediaries), listing on a public stock exchange (SIX Swiss Exchange) and ranking by a renowned rating agency (Standard&Poor's "A-").

Our business model is sustainable, comprehensible and successful. And our strategic goal is to grow profitably as a Group whilst preserving our independence.

We are successful in our target markets because whatever we do, we do it excellently and with tremendous enthusiasm each and every day.

Your investment will enable you to participate in the success of VP Bank Group.

We offer our shareholders a secure investment alternative that offers an attractive return which is continuously adapted in order to master the challenges of an ever-changing market environment.

Convincing numbers and facts

- Solid shareholders' equity base and a tier 1 ratio in excess of 24%¹
- Balanced shareholder structure – stable, industry-independent shareholders and a public free float of 40.02%¹
- Sustained profitability and an attractive payout ratio of currently about 40%¹
- Open, independent investment architecture to the best advantage of our clients
- Highly motivated, excellently skilled employees
- Moderate yet continuously profitable growth – organically as well as through targeted acquisitions

¹ Status as at 31 December 2015

- Strategic partnerships
- Key account management approach

External asset managers

- Focusing on medium-sized managers
- Positioning as top-service bank
- Personal relationship with our clients

VP Bank's vision

Clients are the focal point

We have prescribed for ourselves a clear vision:

We generate enthusiasm by offering our clients unique experiences – this is why they recommend us.

Client proximity and client trust

For us, that means:

- uncompromising orientation towards client satisfaction and service quality;
- a holistic approach to advising clients and offering them the advantages of open architecture;
- professional client-feedback management;
- segmentation of our client base according to volumes, markets and investment profiles;
- resolute devotion to ethical values in all of our activities, this through the personal commitment of each and every employee.

The ambassadors of this vision are our employees, who benefit from ongoing professional training and a wide range of opportunities for personal development. We view motivated, skilled, service-oriented advisors as the decisive factor in our ability to engender and preserve the trust of all our clients.

Goals and orientation of VP Bank

Qualitative goals

- Continual improvement of profitability
- Strengthening our marketing clout by closely dovetailing our worldwide competencies and Group-wide coordination of our client acquisition efforts
- Heightening efficiency and increasing enterprise value through the pooling of competencies
- Value-oriented management (KPIs: return on equity and C/I ratio); fostering management's strong bond with the company (Long-Term Incentive Plan)

Quantitative goals for the end of 2020

- Cost/income ratio under 70% (currently: 59.4%¹)
- Group net income of CHF 80 million (currently CHF 64.1 million¹)
- Assets under management of CHF 50 billion (currently 34.8 billion¹)

Orientation

- Core business – clearly positioned in two segments: private banking and the intermediaries business
- Growth – exploiting opportunities for growth through acquisitions, further increasing the client base, and striving for organic growth
- Organisation – client-oriented, leaner and more efficient management structure and short decision-making paths
- Market cultivation – focus on defined markets and segments
- Efficiency - enhanced cost efficiency (e.g. IT infrastructure, strategic partnerships and joint ventures)
- Synergies - optimisation of the structures, services and processes of VP Bank Group; fostering Group-wide collaboration
- Offering - optimisation of our range of products and services
- Dividend policy – constantly maintained distribution of 40 to 60% of the consolidated net income (given a Tier 1 ratio in excess of 16%)

¹ Status as at 31 December 2015

VP Bank's strengths

First-class solutions

- Our open architecture approach means our clients are sure to receive independent advice from us. Working with our partners around the globe, we recommend the investment instruments best suited to our clients' needs or in special situations come up with our own innovative solutions.
- For many years we have been earning the top industry awards for the quality of our advice and services.

High degree of security

- VP Bank Group's capital base is much stronger than required by international standards.
- Our principal shareholders take a long-term view and thus ensure continuity, independence and sustainability.
- Our well-diversified business model and prudent business policy mean that we act with responsibility and diligence. For that reason, VP Bank does not engage in investment banking.

Service professionalism

- For all their financial matters, our clients have a trustworthy contact person they can depend on at all times and who can draw on the expertise of carefully selected specialists.
- Our global presence gives us a wide range of competencies that can be combined to produce customised solutions. As a result, we can always take into account country-specific conditions.
